Tile Grout

Weber Tylon Tile Grout is an all purpose grout suitable for walls and floors. For external, wet or permanently wet conditions, replace the water in the mix with **Weber Tylon Bond-it** for example: kitchens, bathrooms and showers.

Weber Tylon Bond-it is a latex-based liquid additive specifically formulated for use with Weber's cement-based tile adhesives and tile grouts. Ready for use.

Weber Tylon Tile Grout colour chart:

	
Light-Grey	Dove-Grey
	
Ivory	Stone
	
Namib	Oatmeal
	
Charcoal	Dark Brown
	
	White
